## Ganbina guarantees one-on-one support

With the end of the school year just weeks away now, many of you will be thinking about moving to the Greater Shepparton Secondary College (GSSC) in January next year.

Lots of you have told us that you have mixed feelings about it, ranging from excitement about all the new learning opportunities and facilities you will have at the GSSC, to wondering how long it will take you to settle in.

One of your biggest concerns, which came up in a survey we conducted recently, was that you wanted as much continuous support from us as possible.

You also told us that the one-on-one mentoring relationships that you have with your Ganbina Project Officers are very important to you.

So we want to assure you that when you move to the GSSC, our level of support to you will remain the same as it has always been. Our Project Officers will be on hand to guide you through the transition period and make sure that you navigate the change as smoothly as possible.

Our commitment to support you at this time is stronger than ever. Our aim is, and always will be, to support you to achieve success, to work with you until you graduate, and to help you map out a career that you will love.

If you have any questions about how Ganbina can help you at the GSSC next year, please talk to your Project Officer, or call Ganbina's General Manager, Larissa Falla, on 03 5821 7333.

*In this issue, we are highlighting some of the many ways that we can help you to develop your full potential. Take a moment to read some of our stories inside to find out more about all the exclusive opportunities you can use on our JOBS4U2 program.*

## Anerley rates Youth Leadership Program # 1

Anerley West enrolled with Ganbina in 2014 as a Year 7 student when she was moving from primary school to Wanganui Park Secondary College. She is now in Year 12.

Over the last five years, Anerley has worked with her Ganbina Project Officers to set learning goals and discuss career path options. She has gone on a number of exclusive Ganbina Industry Tours and has attended several Ganbina Career Nights. She also had professional driving lessons through our Driver Skills Program to get her Learner's permit.

But Anerley says it was her decision to apply for Ganbina's three year Youth Leadership Program that has had the greatest impact on her overall.

The Youth Leadership Program, which runs throughout Years 10, 11 and 12, focuses on furthering participants' knowledge and skills in communication, connection, community and Indigenous culture. We introduce participants to important leaders across corporate and community sectors and they also take part in a range of unique activities across Australia and New Zealand.

"The Youth Leadership Program empowered me to learn more about my culture and motivated me to succeed in order to break down racial stereotypes," Anerley said.

"It gave me structure to move myself forward and it opened my eyes to so many possibilities and opportunities I hadn't thought of before."

Next year, Anerley is off to study a Bachelor of High Performance Sport after securing an early entry offer into ACU.

Good Luck Anerley, we know you will succeed with whatever you set your mind to!

*"It's so surreal to think I'm nearing graduation now. It only feels like yesterday that I started Year 7."*

Anerley West

## Making the most of JOBS4U2

Most people know that expert, one-on-one education, training and career mentoring is at the heart of Ganbina's JOBS4U2 program.

But did you know that there's a lot more to the program apart from mentoring?

Take a look at some of these fantastic extra JOBS4U2 modules that are available only through Ganbina.

- ◆ **Accelerated Learning Program**  
Catch up on learning with individual tutoring.
- ◆ **Youth Achievement Awards**  
Celebrate success & attend Awards Night.
- ◆ **Scholarships**  
For education, training or work expenses.
- ◆ **Youth Leadership Program**  
Develop leadership skills & travel overseas.
- ◆ **Driver Skills Program**  
Learn to drive with professional instructors.
- ◆ **Career Nights**  
Meet top training & education specialists.
- ◆ **Networking Opportunities**  
Connect with Ganbina's employer partners.

All JOBS4U2 program modules are developed and delivered by experts, at absolutely no cost to you.

**Make the most of JOBS4U2.**

**Talk to your Project Officer or call Ganbina today on 03 5821 7333 to find out more.**

## Accelerated Learning Program empowers Hariyett to excel

When Hariyett started at McGuire College in 2018, she wanted to improve her maths knowledge base, and so she applied to take part in Ganbina's Accelerated Learning Program (ALP).

After nine months on the program, her knowledge of, and confidence in, her maths abilities improved dramatically.

So much so, that In Term 3 this year, Hariyett was the only student in her class to receive a 100% score on her Year 8 algebra test.

***"I never thought I'd ever get 100% in anything to do with maths, but I did! I'm really proud of this achievement."***

Hariyett's ALP tutor said: "Hariyett's results in school this year are a reflection of achieving a solid foundation in maths, and being able to extend her learning. Well done Hariyett on your fantastic progress!"

**Name**
